Important information regarding authorisation!
The rights to a musical work shall always have been cleared before you register the work in TONO
The information on this form shall be in accordance with what has been agreed between the right owners.
In some instances, you have to provide a written authorisation together with this form:
When one (or more) of the rights owners are not a member of TONO (or one of our sister societites) and when you have composed new music to, or translated an existing, protected text or when you have arranged existing, protected music
A signature from the original composer/author on this form qualifies as authorisation.
Note! TONO do not return scores, sheet music a.s.o. Therefore, please do not send us your original documentation.
